

RORY BRANSON

ASSOCIATE | GLASS STUDIO

"I AM ABSORBED IN PURSUING NEW MATERIAL APPLICATIONS TO MY EVOLVING PRACTICE TO HELP FIND PROCESSES THAT COMPLIMENT MY AESTHETIC LANGUAGE. MY TIME DURING THE ASSOCIATE PROGRAM WILL HELP ME FORGE A SUSTAINABLE CAREER AND FUTURE AS AN ARTIST."

@thegoodrory

BIOGRAPHY

Rory Branson is an emerging glass artist who has completed a Bachelor of Art in Glass at ANU's School of Art & Design. Rory's practice is based on a sculptural analysis, informed by the poetic demands of material. This exploration is built around the balance and contrast of biomorphic and geometric structures that inform perception, light, and optics through varying densities. Rory is also investigating and developing art objects that serve a utilitarian focus.
